Hi Randy, Sorry to bother you on this but I have a parent breathing down my neck on this issue and I can't continue until I get a note from your principal stating something to the effect he supports Mackenzie Fassold's transfer. I have contacted the OSAA and there is no form it just has to be a note from the previous school's principal. I have attached a copy of her transcripts if that will help you can see she was a good student and continues to be. Thanks for your help
