Re: Credit Recovery Plan for Logan Hall

Logan currently needs 6.75 credits to graduate this June with the rest of class. After working closely with his IEP case manager and counselor, the following plan was created for Logan. This plan will allow him to earn enough credits and graduate on time. Logan understands this plan is contingent on him doing his part and he knows he will be monitored along the way.

- Currently enrolled in 8 classes 2nd semester at SSHS (4 credits).
- Taking 2 additional online classes through S-K Online (1 credit).
- Logan will be receiving credit through work experience (2 credits).
- Grade checks by IEP case manager and athletic director.

In addition, Logan will be placed on South Salem's Athletic Study Hall. Each athlete assigned to study hall is required to serve 5 hours every 2 weeks. During study hall sessions, students have access to tutoring and mentors. Grades are monitored by our study hall coordinator.

Let me know if you have further questions.
