Re: eligibility request

I am writing this letter in support of the attached Eligibility Request Form for Logan Hall.

Logan is currently a senior at South Salem High School. Through his high school career Logan has dealt with setbacks. Logan is on an IEP for a health impairment that impacts his ability to focus on school. During his freshman year Logan suffered a significant concussion that amplified the effects of his disability.

This past year Logan found a physical outlet to help him maintain his focus, running. During first semester Logan took our Individual and Team Sports class with our cross country/track coach and made a connection that has motivated him to improve his grades. This past semester he completed 3.5 credits and in coordination with his special education case manager, there is a plan in place for him to complete his remaining classes by June.

In the current grading period, Logan is passing eight classes including 4 grades of B. In addition to his course load Logan is also working toward receiving work experience credit outside of school. Through the work that he is doing and his current level of effort Logan has a good chance of graduating in June.

South Salem High School will continue to monitor Logan's performance throughout the semester. We feel that his participation in extracurricular activities, like track, will help him to stay on the path he is currently on and aide his current success.

Thank you for your time and consideration.

Sincerely,

Thomas Rommel
Curriculum Assistant Principal
South Salem High School

Brian Armstrong
Athletic Director
