To Whom it may Concern,

I'm writing to ask if the OSAA could grant my daughter Chelsee Whitney a Hardship to return to Softball this season. Chelsee was in good standings up until she had to have a surgical procedure on 01/28/2016. Due to this surgery she was given Doctor's order to do absolutely nothing. I asked Doctor about school work and he also said no to this. The surgery was for her tonsils and adenoids. He said any anxiety or stress could cause the scabs to come off the back of the throat causing bleeding which is not good. At this time she has been in good standings with her grades. Along with my letter there is a release of school information and a copy of the Doctor's note. If you have any questions please feel free to contact me. Thank you for your time and a wonderful day.

Sincerely,

Amber Whitney 03/17/2016
