Dear Eligibility Committee:

As the principal of Winter Lakes School, I support Chelsea Whitney as a hardship candidate for athletic eligibility. Chelsea would benefit both socially and academically by being allowed to continue participating in school sports.

Chelsea is in her freshman year and has a difficult time transitioning into high school. After a rocky first term, Chelsea transferred to our alternative school. This was yet another transition for Chelsea which lead to heightened stress levels. After enrolling at Winter Lakes School in December, she initially performed well in her academics. Her January and February did not go as well. She missed significant school time with a surgery and did not really get back on track until recently. Athletics seems to be a genuine motivator for Chelsea to appropriately complete her academics.

Please feel free to contact me at 541-290-4082 if you need any further information.

Sincerely,

A handwritten signature in cursive script that reads "Tony Jones".
