To Whom it May Concern,

My name is Chelsee Whitney and I was recently told I can no longer play softball for the season due to not meeting credit requirements. I had to have surgery on 1/28/2016 to have my tonsils and adenoids removed. Due to this, the Doctor put me on bed rest for 3 weeks. I was told to do absolutely nothing. My mom asked the doctor what about school and he said no nothing not even school work. He said if I did anything that caused me to get overwhelmed and talk I could cause the scab in my throat to tear off and it would cause a bigger problem such as heavy bleeding. Before I went out for surgery my grades were great and now that I'm back my grades are back up. I am wanting to ask you to please give me a second chance to prove to you that the reasoning of not reaching my credits was because of an illness and not me. Thanks for your time.

Sincerely,

Chelsee Whitney 03/17/2016
