Dear Athletic Committee,

This letter is to request that Trevor Langfield be granted eligibility to participate in extra-curricular activities at Tillamook High School for the remainder of the 2015-16 school year. Trevor has transferred from Klamath Union High School. Trevor was having some issues adjusting to his home life in a new situation that his mother has outlined in her email. Ms. Langfield felt that it would be a better atmosphere for him to be with his father and have a male role model around. I believe this to be a legitimate situation and ask that he be granted eligibility to participate in extra-curricular activities.

If you have questions, please contact the high school, (503) 842-2566 ext. 2040.

Sincerely,

Nathan Sandberg

Hello,

Trevor moved to Tillamook to be closer to his dad, The reason we did it in the middle of the school year is Trevor was having a hard time being at home with just 3 girls, I just recently got out of a 6 year relationship and going from having a male role model to only girls in the house was a hard adjustment on him, So I decided that this was a good time to let him be with his father. I believe at this age a male role model is very important and I cannot deny that from my son.

Feel free to contact me anytime, I am still very involved in my son's life and activities and would like to know how he is doing and if there is anything he needs or is not doing please let me know J Also if I need to go into detail of how hard it was on him and us I will, I just prefer not to.

Thank you!

SM

Trevor was a student in good standing at KU. He left KU for no other reason than to move with a parent living in Tillamook. I see no reason that he shouldn't be allowed to compete athletically at Tillamook HS
