Greetings Tom,

As you look at the pile of appeals to review (yuck), you may find Riley King's file. A second grade check was requested and I uploaded it yesterday. The grade check had one F, which is now currently a D. I tried to upload this current grade check - and since it was submitted, editing his file was no longer an option.

Please take this updated grade check into consideration. Riley is prepared and waiting to compete in an orchestra contest tomorrow. I have attached the updated grade check.

Thanks,

Krista
