April 7, 2016

I am writing on behalf of Amie Lewis, who transferred to Madison High School during the second semester. In corresponding with her previous athletic director, and in meeting with Amie Lewis, it is my recommendation that Amie be allowed to compete in Softball at Madison High School in the spring season. Amie is a freshman at Madison High School transferring from Parkrose. She left Parkrose under unfortunate circumstances, which are referenced in a letter from her parent/guardian. I feel the opportunity for Amie to compete at Madison would be beneficial to her as she transitions from a difficult move from Parkrose High School.

Please let me know if I can provide any additional information. Madison Athletics thanks you in advance for your consideration of Amie's appeal to gain spring sports' eligibility.

Go Senators,

Scott Archer
Athletic Director
Madison High School

April 5, 2016

To Whom it may concern:

Amie Lewis transferred to Madison High School in late February from Parkrose High School. She was being harassed and was assaulted by another student. We were concerned for her safety. After working with Parkrose school counselors, vice principle, and police, we/they all came to the decision transferring would be the best decision. Karen Fisher-Grey (superintendent of Parkrose) approved this transfer on February 23rd.

Amie is anxiously waiting to play softball. She has adapted well at Madison.

Thank you for all your time,

Katie Lewis

Scott,

I am in favor of Amie Lewis participating in sports this Spring at Madison. She left Parkrose in good standing, passed all of her classes in the Fall, and will be a good addition to your student body. I've attached her transcript - please let me know if you have any questions.

Thanks,

--

SUBJECT: AMIE LEWIS TRANSFER REQUEST

ATTENTION: KAREN FISCHER GRAY

This letter is to request my daughter transfer to Madison High School effective immediately.

My daughter is in 9th grade at Parkrose High School and needs to be transferred out of Parkrose because of our safety concern.

On 2/9/2016 Amie lewis was assaulted by a student at school. A group of students followed Amie out of school to "jump" her. She began walking away and a student came upside of her and punched her in the mouth. Amie had a bloody nose and mouth and went for help into the high school office, where I picked her up. A police report was filed. This is the second time in the last year she has been assaulted by this same group of girls.

On 2/12/2016 the student returned to school and began threatening and harassing her even after speaking with the vice principle and police officer. This is not an isolated situation. I believe many other students are involved and her safety is at risk.

We have discussed the situation with Mr. Goodlow, Mrs. Harrison, and Officer Mills. Mediation with students has only made situation worse. Amie does not feel safe returning to Parkrose High School and I do not feel comfortable sending Amie back to Parkrose High.

Please except this request to transfer Amie. Her safety, well being, and education is our number one priority.

Thank you,

Dameion & Katie Lewis

Hi Elizabeth,

We can accommodate her, but have an issue with science. 9th grade science is Biology which she hasn't been taking. We don't offer the same class that Parkrose does. The closest science class to what she has might be Physics but that teacher is at capacity and we won't be able to add her. So, the student and her family have to understand that she'll need to make a plan for science to keep her on track.

Thanks,
Petra

Hi Petra,

I have a transfer request for Amie Lewis, 9th grader from Parkrose SD requesting to attend Madison due to safety concerns. The parent explains Amie has been assaulted twice by other Parkrose students and she fears for her safety. The parent has filed police report, the school has tried mediation but the situation has not improved.

Parkrose has approved her request to PPS as an emergency request. Attached is her transcript for your review.

I appreciate your feedback.
