

My family moved to Roseburg,
so I had the opportunity to go to
Roseburg High School. I was interested
because it would be convenient and
have more options. Even though Douglas and
Roseburg schools are not far apart,
they are the total opposite. I missed
my friends and love small schools.
I have not regretted changing to
Douglas once since being here. Track
is the only sport I do and was
not my reason for changing schools.

Thank you
