

IMC Hardship Committee:

I am writing this hardship request for Brett Jackson. He is a midyear transfer with grade deficiencies from Fall 2015. Brett came to Summit halfway through first semester from Roseburg, Oregon. In the letters from Brett and his mother, you can see that he was struggling to stay on track and they thought that a move to Bend might help the situation. I placed Brett on weekly grade checks and at this point, I believe that he has shown that academically he is ready to participate in contest. Our plan for the remainder of the season is to monitor Brett's grades weekly and continue to watch his attendance as well. We hope that the privilege to play baseball and go to school at Summit will be beneficial for Brett.

If you have any questions, please feel free to call at any time.

Thanks,
