

To whom it may concern,

It has been brought to my attention that Carlyn's transcripts have raised concerns about her ability to participate in track. It is true that she's had a lot of ups and downs during her time in high school. However, in the last year at the Academy at Sisters, Carlyn has demonstrated incredible advancements not only in terms of her education, but in terms of her strength and abilities to rise to any challenge she faces. I think that she will be a great asset to the team. If you'd like to further discuss her participation, please don't hesitate to give me a call.

Sincerely,

Carrie Ashworth (mom)
