Gabe,

I am writing you in regards to Claire Haley and her Letter of Hardship submittal. Apparently, you need a paragraph from me as to why she deserves it. I have included the paragraph below. Thank you for all your help with this, we really appreciate it.

Best,

Shauna Haley

Letter of Hardship request paragraph (from parent)

Hello, my name is Shauna Haley. My daughter, Claire Haley, was in an AP Statistics class last semester and, despite her efforts to understand the content and keep up with the classwork she was unable to pass. She is a hardworking and dedicated student who got in over her head and was not able to successfully complete the class. We hope that this isolated mistake will not affect her chances of competing this semester. Thank you for your consideration.
