Hello,

This letter is on behalf of Claire Haley, a senior at Summit High School. Claire would like to be able to compete with our choir at their OSAA competitions this week and in May. Claire failed a class last semester and therefore, didn't meet the passing 5 of 7 classes rule. She is an excellent student and has only failed that one class. She is typically an A and B student and has maintained her grades at all A's and B's this semester. We are hoping that because she is typically a great student and maintains her grades, she will be allowed to compete. Thank you for your consideration.
