

Dear Summit High School personell,

I kyla colon am writing this letter in regards to why I moved to Bend Oregon from Washington state and enrolled to Summit High School.

The reason I had the urge to move to Bend was to have a new change of scenery and to create new opportunities. I had no intention to enroll to any certain athletic, drama, or music program when I first moved here. I am very grateful to have been accepted to Skyliner jazz and chorale. I have never been involved in any choir or competitionall activities and I think all of this is a true blessing and an amazing opportunity. I am looking forward to my future in bend Oregon and am happ I enrolled into summit High School.
sincerely,

kyla colon(:
