Re: Skylar McLanahan

Skylar McLanahan is a junior at Illinois Valley High School. He transferred to Ashland High School after the semester was over to live with his father. His parents have recently divorced and Tom the father moved to Ashland. He asked Skylar to move in with him to see if he liked the new environment.

Skylar has decided to come back to Cave Junction to live with his mother. He wants to go to Illinois Valley High School to finish his high school career. All of his friends are here and he is doing great in school here. His GPA is 3.676.

He has asked to go out for the baseball team and that is the purpose of this letter of hardship. Thanks you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink that reads "Bruce A. Reece".

RE: Skylar McLanahan

Skylar McLanahan is currently a junior enrolled at Illinois Valley High School. During the current school year Skylar's parents went through a divorce which ended in his father moving to Ashland, Oregon. Skylar went through a very difficult time in trying to be a loyal son to both mom and dad. He decided to try and live with dad in Ashland and the environment change just didn't work out for him.

Skylar has chosen to return to live with his mother in Cave Junction, Oregon. He enrolled with us last week and is back in a place where he feels more at home and can continue the success that he built before leaving. Currently he has a 3.76 GPA and is on track to graduate on time.

Skylar would like to play for our baseball team here at IVHS and that is the reason for my letter. Thank you for taking time to consider and work through this process.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tanner D. Smith'.
