Dear SCL Hardship Committee,

My name is Skylar McLanahan. I am a Junior at Illinois Valley High School in Cave Junction. Recently my parents divorced and my dad moved to Ashland. My dad wanted me to try out the school in Ashland and move in with him. I was enrolled at Ashland High School the month of March. Unfortunately, the move was not beneficial for me. I had a hard time adjusting to not living with my mom and siblings. My mom and dad both agreed that my return to Cave Junction was best for me and my future. Beginning in April I came back to Cave Junction to live and attend school here. I missed my friends and coaches. I have a deep connection with my classmates and athletic teammates.

Thank you,

Skylar McLanahan
