Dear OSAA Hardship Committee,

After careful consideration, we are filing this Eligibility Request on behalf of Joanna Do. Joanna is currently a Senior at Parkrose High School. We are appealing for Joanna because we believe that the circumstances around the situation warrants an appeal.

Joanna attended Parkrose High School as a 9th grader and was a very successful student-athlete. During that year, she lived with her mother in the Parkrose attendance area. During the summer between her 9th and 10th grades, the parents decided that she needed to move in with her father in the Lake Oswego attendance area. For her 10th, 11th, and first part of her 12th grades, Joanna attended Lake Oswego High School. Recently, there has been some mounting tension and problems at home, and the family has decided that it is in Joanna's best interest to move back in with her mother, who still lives in the Parkrose attendance area.

Throughout her high school career, Joanna has demonstrated her ability to be a wonderful student, while still juggling an interesting family dynamic. In 3.5 years, she has earned all A's and B's, and currently has a weighted GPA of 3.843. We believe that this shows Joanna's dedication to the classroom, and that she is a true student-athlete.

We all believe that it is in Joanna's best interest to be involved in our athletic programs at Parkrose High School. We appreciate your consideration. Please don't hesitate to call me at 503-408-2641 if you have any further questions.

Sincerely,

Dave Richardson
Athletic Director

Dear OSAA,

I am Mai Vu, the parent of Joanna Do. Joanna moved back with me not too long ago. She did not like living with her dad all too much so she came back to me. She wants to graduate with her friends from when she was little.

I want her to continue playing tennis so that she can stay fit. I can tell she likes tennis a lot and wants to continue to play. She played for Parkrose when she was in the 9th grade. When she was with her dad, she played for her own school. It was good way for her to exercise.

I'm glad to have her back with me. I would love it if she could play tennis again.

Thank you.

Sincerely,

MAI T VU

Dear OSAA,

I am writing this letter to you to address my current situation as a student athlete.

Recently, I have moved back to Parkrose High School. I have been in the Parkrose school district from grades K-9. I began to play tennis during my freshman year and found that I really enjoyed it because it helped my stress levels decrease.

After freshman year, my dad told me that I would have to move in with him. So, I moved schools and went to the one closest to his apartment, which was Lake Oswego High School. He thought that it would be better for my education so I was planning to stay with him until I graduated. I just played tennis there for fun.

Lately, though, my dad and I have been having problems. This prompted me to decide to move back in with my mom. This meant that I would have to leave Lake Oswego High School and move back to Parkrose High School. I didn't mind because I did not have a great experience at Lake Oswego and I thought that it would be great to graduate with the friends I started high school with. I was also excited to see my friends from tennis again. However, I was later informed that I would not be able to play for Parkrose as a result of certain OSAA rules.

Playing tennis has always been an outlet for me to relieve stress and I really enjoy doing it. I hope you will consider my situation and allow me to continue something I love.

Thank you!

Sincerely,

Joanna Do

Good afternoon,

I'm working on a hardship application for a senior, Joanna Do. As you may know, Joanna attended Parkrose High School as a 9th grader when she lived with her Mom. She then moved in with Dad and attended LOHS until just a few weeks ago, when she decided to move back in with Mom.

She is a wonderful student (3.8 GPA), and I'm hoping you'll support her interest in playing tennis her senior year. If you do, please just respond to this email with a quick note of support, so I can let the OSAA know that you're on board with this plan.

If you do not support this, please let me know why so I can have more information about her situation.

Thanks,

Dave-

Thanks for getting this to me. That is too bad she is moving back and forth, I know for a kid that must be very difficult.

As far as her getting to play Tennis, I would be I support of that. I do want to let you know that she did try out here and made our JV team. Upon this, she had come in and asked for a copy of her physical as she is planning to transfer. I know with transfers sometimes it is an issue if they tried out and then go back to their previous school.

All this being said, if playing tennis is what helps her continue to do well in school, I would be all for it. Let me know if you need anything else.

Brigham
