Greetings Tom,

It has been a long time since we have communicated. This is now my 37th year. I am happy that you are still hanging in there also.

I currently am sitting in for Jacque Sage, Jefferson's athletic director and doing a follow-up on some additional information you requested.

Attached is a transcript, the recent 3rd quarter progress report, and what teachers have put into the grade book for his current grades. You can see the pattern of his success.

We also have a form that we have our athletes take to their teachers to get grades.

There has been a lot of time that has elapsed and the kid has been very patient but also anxious about the decision.

Let me know if there is additional information needed for a determination.

Take care,

Donald Dixon
