Re: Hailey Hotchkiss moving

Jason, I wanted to cover with you and the board the reasons Hailey is possibly moving to Seaside. Currently she is living with her mother in Alaska. Hailey recently came to visit us and I believe realized the benefits of a functioning safe home that she currently isn't receiving in Alaska. Currently her mother is renting a 2 bedroom house for 3 people to live in. Hailey does not have a room or privacy to call her own. She currently struggles with the confinements that she is facing up there and often breaks down to me because she doesn't have her space. Her mother in turn has allowed her to move in with her boyfriend's family. Hailey is a 15 year old sophomore and has no business living with her boyfriend in my opinion and I feel most logical parents would feel the same. Hailey is not struggling in school, however feels very out of place in her current situation. She has a loving supporting family here, who sees the needs of our child. Giving her an opportunity to come to Seaside and prosper would be a great opportunity. Hailey would like to be eligible to play softball as it is her favorite sport to play. Having Hailey active in a sport would be a great way for her to continue to build her confidence. She is a great young lady who just wants to be with her family here and go to school and be a part of something bigger than herself.

Respectfully,

Jon Hotchkiss

To whom it may concern,

Hailey Hotchkiss attended Wasilla High School during the 2015-2016 school year until approx. 4-4-16. When she withdrew from Wasilla High School she was on good standing in regards to academics and behavior. However, she sustained a concussion in the fall during a P.E. class and we have not received any documentation from a doctor clearing her back to play.

If you have any questions, please feel free to contact me.
