Dear League Hardship Committee,

I write this letter on the behalf of Isabelle Shaffer. Isabelle transferred to Milwaukie Academy of the Arts over the summer as a Sophomore from Grant High School. Nathan was successful as a student at Grant, but indicated to me that socially she was looking for something different and wanted an enriched experience that included art. She has felt more comfortable at Milwaukie Academy of the Arts and enjoyed the smaller cohort of students and teachers she gets to work with.

The rule of losing a year of eligibility was put into place so that Milwaukie Academy of the Arts would not be a "loophole" for students to move easily and compete for our high school. In this situation, choir has been nothing but an outlet for Isabelle and an enriching part of her education. Isabelle mentioned to me that she wasn't even aware that we had competitions until just recently. She simply enjoys being part of the team and would love to help them in any way she can.

Please consider granting Isabelle's eligibility for competing with our choir program as we have competitions coming up in league this next week. I appreciate your time and efforts as a committee in your consideration.

Sincerely,

K.T. Emerson  
Milwaukie Athletic Director and Assistant Principal

Hello Principal Campbell,

I am the athletics and activities director at Milwaukie High School and I need to get a letter regarding the eligibility of Isabelle Shaffer. She transferred from your school over the summer to Milwaukie Academy of the Arts. She is a wonderful student who wants to compete in choir for us. Could you please either email me or type up a letter stating your support or reasons why you would not support her competing for us?

Thank you VERY much for your time!

GO MUSTANGS!!

K.T. Emerson

Milwaukie High School Assistant Principal/Athletic & Activities Director

As of 2pm on 4/8 I have not heard back. Grant's AD was unavailable at the time of my request. I will forward any response I get.

Thank you!

Sincerely,

KTE

Bella Shaffer

ESSAY TOPIC: Choose one of the areas of the fine and performing arts (Acting-Singing-Instrumental-Music-Dancing-Stage/Technical-Theatre-Painting-Drawing-Sculpting-Pottery-Calligraphy-ArtTechnology,) and describe one of your best moments doing that kind of art. Include a statement about what you learned about yourself in that experience. Write at least 3 paragraphs, no less than 200 words, handwritten as neatly as possible. Please sign your essay at the end.

There's always those things that you want to thank for making you who you are. That thing for me is singing. When I was younger, my dad was like a wizard to me. He could play so many instruments and had a voice that everyone didn't realize a sorry guy like him would have. He followed his passion of music and when I was around six years old I found my talent. I could sing.

I played small gigs with my dad and everytime I got behind that mic, I knew who I was. I loved the rest of a creative, the nerves, the audience, I loved it all. I went through my arts school singing with my friends and I eventually got into a lead singer in a

folk production, "I Ain't Got No Home." I sang in between set changes and I loved every second of it. I learned at that moment that singing is my passion and that's why I want to go

to MAN. I could develop as a singer as well as be with the people I fit in with. When I over

I used to go to Grant Highschool and it really wasn't for me. I moved to Milwaukie Academy of the Arts because of the Arts and Choir Program that fueled me. So far I love MAA and the best decision I made was joining a choir.
