Dear Cherie:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1 (Grade Deficiency) and OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to indicate that the school has put the student on a credit recovery program that will enable the student to be able to graduate on schedule.

Conditions of this eligibility shall be weekly monitoring by the school to ensure that the student is attending school regularly (NO unexcused absences), completes the necessary credit recovery classes to be back on track to graduate by the 2016-17 school year, and passing ALL classes each week for the remainder of the semester. If at any time the student falls below this OSAA eligibility standard, eligibility will be automatically revoked for the remainder of the school year.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
