To Whom It May Concern:

Jumari Mackey was enrolled in three classes trimester two this year. He spent time in a fourth class making up a math credit from a previous trimester. He completed his math make up credit (.5), which was placed in the original trimester that he took the class. Jumari is now enrolled in four classes and will graduate at the end of the school year. Please consider him for a grade waiver, as he would like to participate in track this spring.

Sincerely,
