

Dear OSAA,

Hello, my name is Marisol Flores and I am writing to you so I am eligible to play softball. I was forced to drop out of school last semester and move to Wyoming, because of family issues. My mom was getting away from abusive relationship. By the time we got to Wyoming we could not register for school due to it being winter break. By the time winter break was over my mom worked thing out and we were getting ready to move back to Ontario. We moved back to Ontario, my mom got us a place of our own and my mom went back to work. I didn't go back to school as soon as I got here because it was almost the end of the semester so the school told me to wait until the second semester of school. Now I am currently working on my grades and getting as much help as possible. Thank you for your concern!
