

Dear Hardships,

The Reason I moved from Grants Pass High School was to go live with my mother in belgrade, Montana. I had the move planned and I left Christmas break and I stayed there for about 3 months and the living arrangements didn't work out so I moved back to Grants Pass. I grew up in Grants Pass and went to Redwood Elementary, Lincoln, and North middle school, and Grants Pass High School. I didn't play any sports in Montana and I'm trying to go out for the baseball team in Grants Pass. Thank you,

Sincerely,
Jordan B Thaanum
