To Whom It May Concern,

I am writing to ask for a hardship participation for Daniela Jordan. She is a sophomore on the Speech and Debate Team. Last year, her father passed away and she and her mother have had understandable financial and emotional issues due to his death. Daniela is an excellent student and receives services from our ELL program here at Grants Pass High School. Daniela and her mother moved temporarily due to these family issues, but have returned to Grants Pass.

Daniela was a member of our team prior to leaving and is scheduled to compete in the OSAA Speech and Debate Championships next Thursday - Saturday. I am hoping she will be given hardship status and be able to compete.

Respectfully,

Tori Marshall
