

OSAA Hardship Committee:

Attached you will find the hardship for Eleni Harrington. She is a junior at Summit High School and fell below the required classes passed in the Fall of 2015. I have placed Eleni on academic probation for 2/3 of the Spring Tennis season to monitor her grades to make sure that she has not fallen behind. Eleni has worked very hard to maintain the grades and has shown improvement from the previous semester. I do believe that Eleni has learned from her mistakes and is now on track. I am requesting and fully support her participation in tennis competitions for the remainder of the school year. Up until this point she has been practice only and has been working hard to gain her eligibility back.
