I am writing in regards of my son Xavier Rambo and why I choose to take him out of the Hermiston School district 2 yrs ago. Xavier was failing academically in the system and wasn't given any resources that I could see as a parent were given to him. Xavier is a TEL student and that wasn't utilized by Hermiston High. I transferred him to improve him academically and in sports, unlike Hermiston they don't let kids play sports without passing. Oregon has gotten ^{my} son on track to graduate. The reason we returned to Hermiston is because I drove him every day and as a single parent it became a hardship on me physically & financially. I have developed some medical problems in the last year and it became very costly for me. I used to have a neighbor who also drove to Oregon, but they moved and once they

moved it became my responsibility to get him to and from school solely. I decided to put him back in hemiston. The only reason we couldn't wait until the end of the school season is because for Xavier to be able to play sports next year he had to be registered in the hemiston school.

I hope that coming back to hemiston that this time around that he is kept on the right track to graduate and I'm kept informed of all or any failed grades.

Thank you
Reese Thomas

To whom it may Concern

Xavier Rambo attended school and participated in basketball and Track and Field for the last two years. During that time, he remained eligible to play and was a good teammate on our teams. At the completion of our 2015-2016, Xavier transferred back to Hermiston. Because Xavier lives in Hermiston, we feel that it appropriate that he is able to participate in athletics and activities in his home town of Hermiston.

We support any efforts for Xavier to participate in Hermiston
