To whom it may Concern

Xavier Rambo attended school and participated in basketball and Track and Field for the last two years. During that time, he remained eligible to play and was a good teammate on our teams. At the completion of our 2015-2016, Xavier transferred back to Hermiston. Because Xavier lives in Hermiston, we feel that it appropriate that he is able to participate in athletics and activities in his home town of Hermiston.

We support any efforts for Xavier to participate in Hermiston
