

Hardship
Suanny Hernandez
April 20, 2016

To Whom It May Concern:

I would recommend that Suanny Hernandez be allowed to participate in track for the remainder of the season.

Suanny's family has endured some changes over the past year or so. She passed 6 of 7 classes last semester, including 2 A's and 1 B. This is great improvement over her past struggles academically.

She is on an IEP at Aloha High School. Her resource teacher has commented on how much she wants to run track and has witnessed a change in her positivity since practicing with the team and being surrounded by the coaches.

It is my sincere hope that the OSAA sees fit to allow Suanny to participate in our last couple of track meets this season.

Sincerely,

A handwritten signature in black ink that reads "Tom Bendt". The signature is written in a cursive, slightly slanted style.
