OSAA:

Kobey Basom only passed three of six classes during our first semester. He has been practicing with the team while working to get all of his current grades to passing. He suffers from depression and his father has recently been incarcerated. We believe he is back on track and would love for him to be able to play in the remainder of our JV baseball games this season.

Kobey is on track to graduate and seems to be doing much better academically. At this time Kobey does not have any F's and is earning a 2.0 GPA.

Thank you for your consideration.

Sincerely,

Justin Starck
