7. **STATE CHAMPIONSHIPS – SUPPORT GROUP POLICIES** (OSAA Handbook, Executive Board Policies) (Revised Fall 2017)

Following are the support group policies as adopted by the Executive Board regarding state championships:

- A. **Admission.** Members of support groups shall be given complimentary admission from game management for contests during which their school is participating. Members shall enter the facility in uniform as a group and must be accompanied by their coach/director for verification.

- 1) **Cheerleading.** The number of cheerleaders permitted is limited to members of the varsity cheer team for that sport season. Venue space, as determined by game management, may limit the number of cheerleaders able to cheer on the sideline. Squad size for routines performed prior to the contest, during timeouts and for halftime entertainment may exceed the venue sideline limit so long as the additional members return to the stands when the contest resumes.

NOTE: Cheerleading Site Specific

- 1) Cheerleaders are to enter as a group through the participant entrance door at Marshfield and North Bend High Schools.
- 2) In some instances, cheerleading squads remain too close to the playing floor during play. For the protection of all concerned, cheerleading squads must take a position as indicated by the State Championship Director that will not interfere with the game as played.

- B. **Pep Band Expectations.** The purpose of performances by pep bands at athletic events is to entertain, promote school spirit and support cheerleaders in providing positive crowd participation activities. All members of the pep band are expected to exhibit the highest standards of good sportsmanship.

- 1) Musical selections including rhythmic percussion cadences in support of cheerleaders may be performed only during the following times:
 - a) Prior to the game.
 - b) During time outs.
 - c) Between quarters or at halftime.
 - d) Following the game.

e) Exceptions:

- (1) Rhythmic percussion cadences in support of cheerleaders may be performed during play at outdoor venues only.
 - (2) No musical selections may be performed during injury time outs.
- 2) Amplified instruments are permitted at basketball contests unless the State Championship Director determines that space availability or distance to an electrical outlet precludes its use. The State Championship Director has the authority to control the volume of any amplified instrument.
 - 3) If two pep bands are playing at an athletic contest, the groups shall alternate performances and split the halftime. In football, the performance time after a touchdown or point after goes to the band representing the school that has scored regardless of which band performed last. The directors of the two groups shall meet prior to the contest to confirm how the time will be shared.

NOTE: Pep Band Site Specific

- 1) The band director must accompany and verify each pep band member for complimentary admission to sessions in which your school is playing.
- 2) Please be reminded that pep bands are to remain in their respective designated areas.
- 3) A single small-amplified instrument will be permitted at the discretion of the State Championship Director. Please bring your own extension cords and tape to cover wires. Microphones will not be permitted in the band area. Due to some spectator and team seating locations, we ask your cooperation in keeping the sound level reasonable.

C. Halftime Entertainment. The following halftime procedures shall be utilized:

- 1) Basketball.
 - a) Schools participating in the Basketball State Championships will be given first choice to entertain during halftime intermission of all basketball games. Other schools will be considered in order of application received. It shall be understood that schools not participating in the state championships shall not bring a band.
 - b) All halftime entertainment must be approved by the State Championship Director.
 - c) Individuals or groups shall provide their own equipment for music accompaniment.
 - d) Total halftime entertainment shall not exceed eight minutes.
 - e) Participating schools are to mutually agree on how the eight-minute halftime is to be shared.
 - f) The facilities will not be blacked out nor will fire of any nature be permitted for entertainment.
 - g) Individuals or groups must wear appropriate gym floor shoes.
 - h) Questions concerning halftime entertainment shall be directed to the State Championship Director.

8. [RULE 3 – CONTESTS – SPORTSMANSHIP – CROWD CONTROL](#) (OSAA Handbook, Rules)

9. **CHAMPIONSHIP GAMES - KEEPING STUDENTS OFF THE PLAYING FLOOR:** In the past, injuries have occurred when students rushed onto the floor. We ask that you inform your student rooters that this practice will not be allowed. Schools are expected to have ample personnel available in student sections to monitor this situation. Additional security personnel will be on hand to assist in keeping students off the floor.

10. **SPORTSMANSHIP AWARD:** This award will be presented to the school that displays the best overall sportsmanship both on and off the court. The school, coaches, players, cheerleading squads, pep bands and spectators are all considered in the judging. A special committee will choose which school is to receive this honor. Teams awarded the Sportsmanship Trophy will earn 200 points toward their school's OSAA Cup total.

11. **DAMAGE TO BACKBOARD AND/OR FACILITY:** Administrators are urged to inform all players and students never to grasp the net during warm-up sessions or during and after the regular game. It should be understood that if any damages are caused by students, the member school represented by such player or student shall assume all liability to replace and/or repair such damaged equipment. Further, any damage to the facility such as walls, chairs, etc. could also be charged to the school. For your school's protection, please help us inspect your student seating sections prior to and after your team plays. This could prevent your school from receiving a bill for damages.

STATE CHAMPIONSHIPS – SUPPORT GROUP POLICIES

1. [STATE CHAMPIONSHIPS – SUPPORT GROUP POLICIES](#) (OSAA Handbook, Executive Board Policies) (Revised Fall 2017)

Following are the support group policies as adopted by the Executive Board regarding state championships:

- A. Admission. Members of support groups shall be given complimentary admission from game management for contests during which their school is participating. Members shall enter the facility in uniform as a group and must be accompanied by their coach/director for verification.
- 1) Cheerleading. The number of cheerleaders permitted is limited to members of the varsity cheer team for that sport season. Venue space, as determined by game management, may limit the number of cheerleaders able to cheer on the sideline. Squad size for routines performed prior to the contest, during timeouts and for halftime entertainment may exceed the venue sideline limit so long as the additional members return to the stands when the contest resumes.
- C. Halftime Entertainment. The following halftime procedures shall be utilized:
- 1) Basketball.
- a) Schools participating in the Basketball State Championships will be given first choice to entertain during halftime intermission of all basketball games. Other schools will be considered in order of application received. It shall be understood that schools not participating in the state championships shall not bring a band.
 - b) All halftime entertainment must be approved by the State Championship Director.
 - c) Individuals or groups shall provide their own equipment for music accompaniment.
 - d) Total halftime entertainment shall not exceed eight minutes.
 - e) Participating schools are to mutually agree on how the eight-minute halftime is to be shared.
 - f) The facilities will not be blacked out nor will fire of any nature be permitted for entertainment.
 - g) Individuals or groups must wear appropriate gym floor shoes.
 - h) Questions concerning halftime entertainment shall be directed to the State Championship Director.
