District Hardship Committee,

Roseburg High School is requesting that Victoria Lasker, a freshman, be eligible to participate in JV Softball this spring.

Victoria just moved us Roseburg last week from Meeker, Colorado.

Victoria's grandparents live with her and her mom in Colorado. The grandfather became very ill which required her mom's full attention. With Victoria missing her sister so much, the family decided it was best to move here to Oregon to live with her sister.

If you have any further questions, please do not hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read "Russ Bolin".
